

State Representative **Nancy Nathanson**

August 2009

Dear Friends and Neighbors,

I find myself two months into the interim and the pace still hasn't slowed. As soon as the session ended, I attended a couple neighborhood association meetings and enjoyed some wonderful summertime cookouts with constituents and local advocates. I am starting to settle into a new schedule, spending a few afternoons a week in the district office to take meetings and process emails and letters. I have also enjoyed doing tours with local organizations. I met a great group of Eugene teens working with the Northwest Youth Corps. They were out in over 100 degree weather harvesting native grass seed and building perches for raptors, all while having a good time and learning valuable skills for future jobs. I look forward to seeing some of you at upcoming coffee events. In the meantime, if you have any questions, comments, or just want to say hi, feel free to email me at rep.nancynathanson@state.or.us or call my office at 541-343-2206.
