Twin Rivers Charter School Advisory Board
Meeting Minutes
April 5th, 2017
3:30 – 5:00 PM**

Present: Jane Kammerzelt, Jeff Orlandini, and Lauren Sommers present. Jasmine Abeles arrived at 4:09. Also in attendance were Jeff Parker (staff) and Jay Breslow (staff).

The meeting was called to order at 3:39p.m.

The minutes from the March meeting were not complete. The Board will consider both the March and April minutes at the May board meeting.

No student representatives were in attendance.

No members of the public were in attendance.

Jeff Parker walked the Board through the financial report. Board members discussed revenue and expense numbers.

Jeff Parker and Jay discussed the site visit from the Oregon Department of Education, as well as performance measures submitted to ODE. The site visit was very positive.

Jay provided an administrative update. The school is rolling out a new behavior management system. There is some resistance on the part of the students but that is to be expected. Staff is stretched thin. Jay is working to make sure to stay in communication with students and their families. Jay is confident that the new system will ultimately be much more effective than the current system. Jay discussed his long term vision re staffing.

Meeting adjourned 4:53 p.m.
