Youth Achieving Success

Making a Difference

Northwest Youth Corps is about helping youth achieve personal growth. It is about youth mastering the ability to work as part of a team, and learning how to cooperate, communicate, and resolve conflicts in a mature and positive manner. And, it is about responsibility and the pride that comes with success won, when winning isn't easy. Whether building a trail, restoring wildlife habitat, or constructing a public campsite, through NYC, youth gain the skills and confidence necessary to face life's challenges and achieve their potential.

Growing Impact

In order to serve an ever-growing number of youth, NYC is expanding its leadership programs to ensure top-notch staff, updating its fleet of crew vehicles to ensure safety, and updating its youth campus to increase efficiency. Your gift allows NYC to make such investments, that maintain our commitment to excellence.

Help Youth

Support Sponsor A Crew. Your annual gift increases opportunities for over one thousand young people to build the skills they need to achieve success in tomorrow's workplace. Invest in Northwest Youth Corps and you help youth become leaders. Your gift makes our next generation a little bit stronger and a whole lot more knowledgeable about resource management and outdoor recreation opportunities.

Sponsor A Crew

Every year, the generosity and vision of our donors and sponsors makes it possible for NYC to serve youth. We invite you to join NYC's Sponsor A Crew initiative, supported by businesses and community members committed to youth and excellence. (NYC is a non-profit organization and a member of Oregon's Cultural Trust—your donation is tax deductible as allowed by law.)

An annual CREW sponsorship of \$1,000 helps us place one youth crew in the field for five weeks (10 youth)

An annual PROGRAM sponsorship of \$5,000 supports four youth crews for five weeks (40 youth)

An annual SEASON sponsorship of \$10,000 supports an entire summer of programs—two five-week programs each serving four youth crews (80 youth)
