

Interpretation and Education Intern

Idaho Conservation Corps - Craters of the Moon National Monument and Preserve

Arco, ID

Summary: The National Park Service is recruiting summer interns to provide educational and interpretation assistance at Craters of the Moon National Monument and Preserve (CRMO). The members will serve with the interpretive and education teams within the Visitor Services Division. The park anticipates over 250,000 visitors this summer.

Duties and Responsibilities: Major duties are related to learning and working alongside personnel in visitor services at Craters of the Moon National Monument and Preserve. The intern will communicate with the public about the natural and cultural resources of CRMO, staff the visitor center and provide orientation and information about CRMO and the National Park Service including recreational opportunities and park regulations.

Specific activities include:

- Staffing visitor center front desk.
- Researching the natural and cultural resources of CRMO.
- Roving trails and contacting visitors.

Required Qualifications:

- Ability to work outdoors, hike, and assist the public in remote settings and inclement weather on uneven ground.
- Willingness to work as part of a team in an outdoor setting
- Ability to give direction and talk to the public.
- Good written and verbal communication skills.
- A positive attitude.

Desired Qualifications:

- Knowledge of Northern Rocky Mountain and Snake River Plain natural resources and plants
- College coursework in natural science or parks and recreation.
- Experience in presenting informational or educational talks to the general public

Duty Location:

Duties are performed within the Craters of the Moon National Monument and Preserve in Arco, ID.

Terms of Employment:

- Intern will complete the 16-week program from May 10 to August 30. The member will average 40 hours of labor per week, minus holidays.
- Interns are responsible for providing their own housing and food. Personal transportation needed.

Benefits:

- Interns will earn \$8,960.00 prorated monthly throughout the 16 week term of service.

Application Instructions

Application Deadline: **April 30, 2021**

Interviews: Will occur as qualified applications are received.

Type of position: Individual Placement

Service Dates May 10, 2021 – August 30, 2021

Length of Term: 16 Weeks (minimum of 640 hours)

How to apply:

Please submit a cover letter, resume, and contact information for three professional references and completely fill out the application form found at <http://bit.ly/NYCIternApplicationForm>.

Please select “Craters of the Moon – Interpretation and Education” when applying.
