

Remote Intern Acknowledgement

Please note:

Interns working remotely through NYC must remain a resident of Oregon, Washington, or Idaho for the duration of their term of service. Moving to a state outside our region will result in NYC not being able to support the intern as the employer of record and the internship will be dissolved.

Additionally, if you work in one state and live in another state within the Oregon, Washington, Idaho region. We recommend that you consult a tax specialist if you have questions about withholdings.

Sincerely,

Northwest Youth Corps
Internship Department
