Position Title: Biological Technician – 480 HR

Position Summary:
The Sawtooth National Forest is recruiting one Biological Technician from June 14, 2021 through September 3, 2021. The incumbent will be paired with a Forest Service employee to identify, document, map, and treat noxious weed infestations. This placement will typically serve four ten hour days per week (Monday through Thurs).

Duties and Responsibilities:
The member will conduct field surveys to identify, document, map, and treat noxious weed infestations. The member will collect data using GPS technology, collector and field maps. They will also assist in the maintenance and inspection of fences. Operates a variety of field equipment commonly used in treating, preventing, and eradicating noxious weeds such as all-terrain vehicles (ATV’s), utility terrain vehicles (UTV’s), herbicide application equipment, GPS equipment, and cameras. The member’s time will be spent inventorying, documenting and mapping noxious weeds (30%) – Treating noxious weeds (70%).

Required Qualifications:
- Willingness to work as part of a small team and occasionally alone
- Current driver’s license.
- Good written and verbal communication skills.
- Ability to lift and carry up to 40lbs
- Ability to work outdoors in remote settings and inclement weather on uneven ground
- Member may travel to other duty stations during the work week and remain over-night occasionally

Desired Qualifications:
- Previous experience using GPS and GIS
- Previous experience operating ATV’s or UTV’s.
- Noxious weed and plant identification
- Strong interest in resource management.

Duty/Housing Location:
Duties are performed out of the Ketchum Ranger District Ketchum, Idaho. Housing is provided in bunkhouses with a common kitchen and shared bedrooms located in Ketchum.

Terms of Employment:
One AmeriCorps member will complete a term of service (length dependent on commitment of hours), starting June 2021 through September 2021. The member must complete a minimum of 480 service hours by the end of their term.

Program Benefits:
- $6,000 living allowance, prorated on a pay period (monthly) basis
- $1,638.43 education award upon completion of the 480 hours of service.
- The incumbent will receive training in CPR/First Aid & defensive driving.
The living allowance and education award are taxable. Members are responsible for providing their own food.

Service eligibility is contingent upon the results of a criminal and driving background check.

The member will not engage in any prohibited activities as stated in the Member Service Agreement.
