Northwest Youth Corps’ Community Program is a day program for 15 to 19 year olds. With the experience of field staff guiding them, participants complete service projects in their own community each day and return home at night. Crews meet at a designated site every morning and evening, Monday through Friday. Members spend an average of 6 hours per day and one hour participating in an educational lesson, from which they can earn high school credit and a $250/week stipend. During these 5 week sessions, participants learn new skills, challenge themselves, make new friends, and better their communities!

**Schedule:**
- 5 week duration | Starting in early and late summer
- Members work M-F, 6 hours plus 1 hour of educational lesson
- Locations include: Eugene/Springfield and Portland areas
