

**Twin Rivers Advisory Board
Meeting Minutes**

June 6th , 2018

Present: Jeff Orlandini, Dennis Dover, and Lauren Sommers

Also present: Jay Breslow

Jeff Orlandini called the meeting to order at 4:40pm

Minutes: Consideration of minutes for the May meeting was tabled because only one NYC Board Member was present, but the Advisory board members in attendance recommend approval of the minutes.

Student Representative: No student representative.

Public Comment: No public comment.

Principal Report: This last week has been tough. Rec spike was cancelled until the students could prove to the staff that spike would be productive.

Nine students will walk at graduation. Four will receive full diplomas, two will receive modified diplomas and three have earned GEDs but were invited back to walk. Graduation will be held at 5:30pm in the Community room with a lasagna dinner to follow.

Changes for next year. Josh is leaving. The District is sending a new special ed teacher who seems great. The school will have a full time math teacher and half time science teacher.

Staff is looking at a possible redesign of the school schedule to move to a block schedule to allow for more flexibility in teacher and volunteer instructor schedules.

Jay is getting lots of calls and doing interviews for new students for next year.

Board Composition Discussion: Recommendation of advisory board members present is a board of between 5 and 11 members, all of whom have the same voting authority. Recommend working to get family members of students on the Board but do not recommend designating particular seats (i.e. 3 NYC Board members, one parent, etc.).

Meeting adjourned at 5:31pm

Respectfully submitted on Sept. 12, 2018

Jane Kammerzelt - Member, for Lauren Sommers, Secretary

Jeff Orlandini, TRCS AB Chair
