Staffing and Format changes for Trimester 2

Two AmeriCorps members resigned and the Language Arts teacher left, so staff went from 9 to 7 with the addition of another AmeriCorp member. Due to this, the structure of the school has changed as follows: Kristen is teaching a STEM block, combining science and math in longer class periods. Humanities is now a teaching block. Mondays are credit recovery days. Tuesday, the entire school goes into the field to do their lab studies there, rather than going out multiple days. The students are in the building Wed, Thurs, Fri.

In addition, STEM Humanities and Art labs are provided to supplement the block classes. Several teachers and AmeriCorps members are out for precautionary reasons. There have been no positive COVID tests so far. They are working on a virtual format as an option if there is a need because of COVID and can pivot fairly quickly.

There are 39 students currently.

Principal Report: TRCS is first thing on the Eugene School Board agenda tomorrow (Jan 12). There are 3 students and three adults, a family member plus a program partner lined up to speak.

Meeting adjourned at 5:17

Respectfully Submitted:
