The top things she values are the close-knit community and traveling to many places in the courses. Post TRCS, she is exploring wildland fire-fighting and college.

**4. Principal Report**

**a. Faculty Update** - Presently 2 teachers, 2 AmeriCorps members and Principal Jay Breslow are handling the instruction of the core classes online, with another AmeriCorps Member to be added soon. TRCS will be going to LIPI, Limited In Person Instruction, up to 2 hours and 10 people at a time for the CTE (Career Technical Education) component. The school will be delayed due to the community disruption of the Holiday Fire, as some families are in various states of evacuation. The staff has spent the summer preparing for three types of instruction formats depending on the State mandates on in-person instruction.

**b. Enrollment update**- 36 presently enrolled, which is the target. 2 new 8th graders, 4 new 9th graders, 2-3 11 & 12th graders. This may change fairly soon as several students will graduate early.
