November 11, 2021

Present: Dennis Dover, Helen Haberman, Jane Kammerzelt, Kelley Moriarty, Tony Phifer, Pat Sheppard, Jay Breslow, Jeff Parker

4:34 pm. Meeting called to order by Helen Haberman

The minutes for the October 13, 2021, meeting were unanimously approved for with a motion carried by Tony and seconded by Kelley.

Public Comment: none as no members of the public were present

Student Panel: Zephan Taylor-Niles, 9th grade talked about his experience on the Beaver survey project he participated in, along with other students, for the Middle Fork Willamette Forest Service District. They produced a meaningful, science-based report on the beaver population in a specified area that will contribute to the greater restoration efforts in Elijah Bristow Park. When asked how learning at TRCS differs from his previous school, he said it is more “hands on”, and further explained he meant it is more in depth, with better explanations of how what they are studying applies to the real world

Principal Report:

Enrollment is at 48 students including 6 seniors.

The second spike went well with some schedule adjustments. The crews met with Forest Service wildlife biologists and did owl data collection and stream surveys. They also did a photo essay to summarize their work. In addition, they conceptualized, planned, filmed, and edited stories on Bigfoot, which was shown at the fireside film festival.

Schedule and Format adjustments have been made at the school to better accommodate the optimum student/teacher ratio.

The school will be closed the week of Thanksgiving and there will be family meetings that week. The community coordinator, Eli, has integrated well into the school/family community.

Meeting adjourned at 5:03 pm

Respectfully Submitted:
